

## NEW TRACK OPENS AT FORESTVILLE

Dr. Sansbury's Course  
Proves Popular—Four  
Races True to Form.

Dr. J. E. Sansbury's new half-mile trotting track at Forestville, Md., was opened yesterday with four races that drew something like 1,500 or 2,000 people, and completely astonished the doctor by the popularity of his enterprise.

The track is about three miles beyond the District line on the Brightwood road, and, judging from the attendance of horse lovers from the surrounding country, will be a permanent and prosperous institution. All of the races were remarkably true to form and were won in straight heats. E. F. Hall, the Washington harness horse trainer and driver, who has a string of about a dozen which he will use this season, was starter. The judges were A. T. Brooks, J. A. Tutner, and H. Crozier, and they filled the positions in first-class style.

The results were as follows:

First race—One mile. Purse \$50.

## AMERICAN FIGHTERS "CLEAN UP" ABROAD

NEW YORK, June 1.—Willie Lewis and Joe Jeannette are due here on Friday on the Lusitania after one of the most successful "clean-up" trips in the history of American pugilists.

They won big sums both in Paris and London, and according to a letter from Dan McKetrick, are coming back because the fight game is losing its popularity in the French capital. McKetrick declares that all of the English fighters that have been brought to Paris were dead ones, and that the French people will no longer pay good money to see a couple of Americans battle there. Incidentally, Jeannette expects to try for a match with Jack Johnson before one of the California clubs.

## JEFFRIES WILL GO TO EUROPE SOON

CHICAGO, June 1.—James J. Jeffries will go to Europe in a few weeks, and on his return will prepare for his battle with Jack Johnson. Before leaving here Jeffries said: "I am going to Europe primarily to take the baths at Carlsbad and incidentally to fill a few theatrical contracts which I signed recently. When I return to America, which will be about the middle of the summer, I am going direct to California and start hard training for my fight with Johnson."

## BASEBALL MANAGER GETS HIS RELEASE

Ryan was buried here this afternoon.

## BIG CANOE REGATTA PROVES A SUCCESS

Potomacs Win Feature  
Event From Sycamore  
Island Club Four.

An idea of the popularity which canoeing enjoys in this city might well have been gotten from the big canoe regatta which was held at Broadwater on the Potomac yesterday, a large attendance braving the threatening weather to witness the various events which were on the program.

Today all are unanimous in deeming the regatta, in point of close and well-contested races, the best that has ever been promoted by the local club. The feature event of the day was the race between the Potomac four and the Sycamore Island four, the former crossing the line a few scant feet ahead.

R. Rutherford won the championship singles from Ralph Howell.

Following are the officials who promoted the successful regatta: D. E. Masterson, C. C. Perkins, W. P. Beckwith, and George W. Hutchinson, who composed the regatta committee. Adrian Sizer acted as referee; George W. Hutchinson as clerk of the course, and C. W. Hecox as starter. The judges were Fred C. O'Connell, George P. Dyer, and George Steiger. W. P. Beckwith and C. C. Perkins were clerks of the course.

## FAMOUS TURFMAN DROWNS IN BATH

"Ginger" Nevins, Well  
Known in Trotting Circles,  
Dies With Cramps.

BALTIMORE, June 1.—Friends today claimed the body of Jacob, better known as "Ginger" Nevins, the Cleveland trotting horseman, who was drowned last night in a Turkish bath here, and the body will be taken to his old home for burial.

For many years Nevins has been a pool seller on the "bull ring" trotting circuit, and there is hardly a follower of the trotting game that did not know him. He attended the races here yesterday, and when he came from the track complained of being tired. He went directly to the bath house, where after taking the usual Turkish bath he jumped into the pool.

Later, an attendant hauled his dead body out of the deep water end of the pool. It is thought he was seized with cramps, and there being no attendant in the room, drowned. Nevins was thirty-three years old, and his brother, Samuel H. Nevins, has been the official program of the grand circuit for years.

## PREPS ARE WINNERS.

The Prep team of St. John's College yesterday defeated the Choir Boys of St. Aloysius in an exciting game by 7 to 5.

## FIRST COMPANY CARRIES COLORS

Annual Competition Among  
Midshipmen Settled by  
Cutter Race Today.

ANNAPOLIS, Md., June 1.—The first company, commanded by Midshipman Olaf M. Hustvedt, won second place in the race for cutters under oars this morning and thereby garnered enough points to clinch its victory in the keen competition which has been going on all through the year among the twelve companies of the brigade for the honor of carrying the colors during the year to follow.

The victory is all the more gratifying to the first company and its friend as the race this morning followed the protest of the race on Saturday, which the first company won, and which the fourth company, its nearest competitor, claimed was invalid because a member of the second Naval Academy crew rowed in the first company's boat. It was found that there was a rule against any oarsmen in one of the regular boats rowing in the inter-company competition. The rule, however, was not generally known and quite a number of the barred men rowed in the different boats.

Under these circumstances, the race was ordered to be rowed over again. The race was won by the eighth company with the first in second place and the ninth company third.

## Clean-Cut Victory.

Neither the fourth, which made the protest, nor the twelfth, which were the nearest competitors of the first, made a place, so the victory was a clean-cut one for the first. Neither the eighth nor ninth company was within striking distance of the top companies in points.

The competition in "general excellence," which carries with it the right to carry the colors for the following year, is the biggest honor that can be won during the Academy course. Results are obtained by giving credit for work done in the different drills and excursions and also for the individual work in athletics of the members of the company.

The competition which has just closed has been the closest in the history of the system, the first company being closely followed by the fourth and twelfth. The colors will be presented at dress parade this evening.

## NAVY FIGHTERS DRAW.

NEWPORT, R. I., June 1.—Chief Master-at-Arms C. Cretick, Jr., the naval training station, and Ivan Kennedy, fireman of the torpedo station, fought a ten-round draw here. The battle, it was said, was for the lightweight championship of the navy.

## TENNIS TOURNEY CONTINUES TODAY

Fast Out-of-Town Talent  
Adds Interest to Chevy  
Chase Event.

At 2:30 this afternoon play will continue in the Chevy-Chase tournament and, judging from the results of yesterday's matches, when the Washington team won from the Philadelphia aggregation and all of the Washington players were victorious in the various other events, doubles and singles, a complete triumph for the local racquetists is expected. The tournament does not end until next Saturday.

One of the most important features of yesterday's play was the appearance of R. H. Palmer, of New York, one of the best players that has ever competed here and present holder of the Chevy-Chase title. Last year Palmer's play in the Chevy Chase tournament was little short of phenomenal, and his arrival insures some good tennis. Going at their present pace the Doyle brothers, who are acknowledged the best tennis players in Washington, may prove a stumbling block for the champion before the finals are reached. Both these young men annexed their matches yesterday with ease and displayed far better form than they did last year, when Palmer won out on the last day of the tournament.

Several out-of-town players will compete in the tournament. The mixed doubles and ladies and girls' events were played yesterday and proved highly interesting throughout.

## JOHNSON MAY SIGN TO MEET KAUFMAN

NEW YORK, June 1.—There is a possibility that Jack Johnson and Al Kaufman may be matched here this afternoon.

Charley Harvey, who is looking after Billy Delaney's interests in the East, has an engagement to meet Johnson to talk fight and Johnson is on record as declaring that, so far as he is concerned, nothing will be more satisfactory than to give Kaufman a chance. He wants it to go twenty instead of forty-five rounds, however, and there is a possibility of a clash on that point.

General impression, however, is that Johnson will tie up for a bout on the coast with Kaufman during Christmas week.

## EASY FOR KLAUS.

PHILADELPHIA, June 1.—Frank Klaus, the hard hitter, beat Jack Fitzgerald all the way in their six-round bout, before the West End last night. Klaus started to mix it from the going, and had the better of every round. He opened Fitzgerald's face in the first round, and he led for the remainder of the bout.

## HERE'S A RECORD BASEBALL CONTEST

Box Score of Game Which  
Went Twenty-six  
Innings.

BLOOMINGTON, Ill., June 1.—All records for professional baseball were shattered in the game between Bloomington and Decatur yesterday, 26 innings being played. Starting at 2 o'clock the game was not over until 7. Decatur winning by 2 to 1. The game has been protested on the ground that the winning run was scored by a player cutting second base.

The winning run came after Snyder had retired the first two batters, Fisher was hit with a pitched ball, Hurtel smashed to right, for a triple and Fisher scored. Umpire Clark called Hurtel out for cutting second, but allowed Fisher's run to count. It rained during the greater part of the game.
